Re: Closing on the Sale of Your Home

Dear Sir or Madam:

Congratulations on contracting to sell your home! I represent the buyers and will close the transaction on their behalf. I will also prepare your deed, lien waiver, and all other documents required to close the transaction when requested.

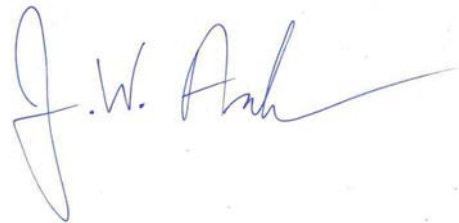

You may hire your own legal representation, if you desire. Otherwise, I will handle the preparation of your documents and answer basic questions about the transaction for the stated fees on the seller information form. Please note that I am not your lawyer or your tax professional.

Please complete the seller information sheet and an authorization letter for each mortgage on the property. There are two versions of the authorization letter. The longer one is for equity lines of credits. Also, please be sure to include contact information for your homeowners' association property manager (e.g. CAS, PPM, Talis Management, HRW etc.). Your marital status, loan number, and social security number are also crucial to completing the transaction. Your spouse must sign the deed and lien waiver. If you do not know the answer to a specific question, please return the form at the earliest convenience and ask whether that information is necessary to close.

You may schedule a time to sign your documents with my office. These documents can be prepared in advance of the closing for a small fee (i.e. \$50.00) charged in our discretion. You may sign these documents at my office or with any notary available to you. A settlement statement will be prepared before the closing. Your proceeds are generally available the same day of the closing or the next business day. I will send a wire to you for a small fee (i.e. \$25.00), mail your check or hold for pick-up at no charge.

Please let me know if there are any questions or concerns that you have,

Sincerely,

A handwritten signature in blue ink that reads "J.W. Anderson". The signature is fluid and cursive, with a long horizontal stroke at the end.

Jonathan W. Anderson

I authorize Lender to release to The Law Office of Jonathan W. Anderson PLLC any and all information, including payoffs, principal or escrow/impound balances, foreclosure dates, and any other pre-foreclosure information that they may require about my loan for the above referenced property.

Should there be any question as to the authenticity of this document you may contact me at the information provided below so I may confirm that I have given these parties permission to speak to you on my behalf. This letter of authorization is to remain in effect throughout the life of the loan, or until retracted by myself.

I further request and direct that lender (i) terminate the borrower's right to obtain advances under the borrower's equity line of credit; (ii) apply all sums subsequently paid by or on behalf of the borrower in connection with the equity line of credit to the satisfaction of the equity line of credit and other sums secured by the related security instrument; and (iii) when the balance of all outstanding sums secured by the related security instrument becomes zero, satisfy the security instrument as a matter of public record pursuant to G.S. 45-37.

This law office is responsible for disbursing funds in connection with the sale of the property or a new loan secured by the property. A requirement of the sale or new loan transaction was that the property be conveyed or encumbered free and clear of the existing mortgage or deed of trust.

As permitted by North Carolina law, we are sending the enclosed request to your lender asking that your equity line of credit be terminated. Our reason for making this request is to ensure that the mortgage or deed of trust on the property will be cancelled once your equity line of credit is paid in full.

When your lender receives our request, your lender will terminate and close your equity line of credit, and you will no longer be able to obtain credit advances. However,

termination of your equity line of credit will not release you from liability for the account. All sums your lender subsequently receives in connection with your equity line of credit (including any sums we send to your lender in connection with the closing of the sale of the property or the new loan) will be applied by your lender to the satisfaction of your account. When the balance of your account becomes zero, your lender will be required to cancel the mortgage or deed of trust as a matter of public record
